RAPP HYDEMA SYD

LINESPILL

LINE HAULER

RAPP HYDEMA SYD Line/ garnspill leveres i forskjellige utgaver med trekkrefter fra 400 - 5000kg. De er beregnet for fiske med line, garn og snurrevad.

Til Linespill type HL08, HL1,2 og HL2 kan det leveres en linesjølkeveiler som monteres på spillet.

Standard leveranse omfatter manøverventil.

RAPP HYDEMA SYD Combination haulers are manufactured in several versions with pull from 400 – 5000 kgs. They are designed for line and net hauling.

Line hauler types HL08, HL1,2 and HL2 can be supplied with a line coiler.

Standard delivery includes control valve.
